Dear Mr. Chong-Gum

The entire AMPAP team join me to sincerely congratulate you on your achievement in earning the International Airport Professional (IAP) designation. This could only come from your own vision, dedication, perseverance and the careful attention you pay to the profession you practise.

ACI and ICAO broke new ground in launching the Airport Management Professional Accreditation Programme (AMPAP) with the very first course delivered at the ICAO headquarters in Montreal in June 2007. AMPAP no doubt offers a very unique executive training opportunity for airport managers, which is synonymous with professional excellence in airport management.

We take great pride in welcoming you to the AMPAP Alumni network! I hope you will be able to attend the award ceremony scheduled in 2014.

The Programme Executive,

Pierre Coutu, A.A.E., Ed.D.
